The resource persons were Mr.G.Vijay, AP-English &amp; Dr.V.Chithra Devi,ASP-English . They focused on the significance of Indians to strive for conservation, promotion and dissemination of the great cultural wealth of India. It should be placed at the top priority of the country because it is very crucial for the country's identity. There is a need to synergize knowledge with art, culture and language. It is insisted that NEP is the medium to fulfill the aspirations of New India and it will play an important role in realizing self-reliance. Science, Culture, Civilization, Art, various ancient learning, History, etc. are important segments of our glorious tradition and our young generation should be aware of it and respect our traditions. By taking Indian knowledge traditions forward, seeds must be sown for starting a new era. Our traditional knowledge must be recreated with contemporary, contextual relevance to connect with the youth.</p>

**PSNA COLLEGE OF ENGINEERING & TECHNOLOGY, DINDIGUL****Webinar on****New Education Policy (NEP-2020): “Multidisciplinary and Holistic Education”**

On the eve of completion of one year of transformational reforms under New Education Policy (NEP)-2020, All India Council for Technical Education requests the institutions to organize 08 themes of webinars or seminars in this context. In lieu of the circular dated 29.07.2021, Department of Chemistry and Department of Physics organized a live webinar on **02.08.2021** at **03.00 to 04.00 pm** in the topic **New Education Policy (NEP-2020): “Multidisciplinary and Holistic Education”**. **Dr.D.AbiyahChelliah**, Assistant Professor of Botany, St. John's College, Palayamkottai was the featured speaker of the session. He highlighted the full equity and inclusion as the cornerstone of all educational decisions to ensure that all students are able to thrive in the education system. He also emphasized to recognize, identify and foster the unique capabilities of each student by sensitizing teachers as well as parents to promote holistic development in both academic and non-academic spheres. The session was endowed with the extensive use of technology in teaching and learning and entrenched conceptual understanding rather than rote learning for examinations. Regulatory framework to ensure integrity, transparency and resource efficiency of the educational system through audit and public disclosure may escalate towards success.

# Screen Shots:

This screenshot shows a Google Meet interface during a presentation. The main slide displays the text "Institutes of higher education and sports universities are being established" above an image of various sports equipment including a basketball, a football, a soccer ball, and a tennis racket. A notification at the bottom of the slide reads "Saravana Kumar was not allowed to join this meeting". The right-hand side of the screen features a grid of participant thumbnails, including Vishal Kumar, Zanim Mohamed Hashim, Angelina Joy, Sathya Player, travel with jeeva, Harinishree U, and a group of 90 others. The bottom toolbar shows the time as 5:38 PM and the title "New Education Policy (NEP) 2020: Effect of ...".

This screenshot shows a Google Meet interface with an "In-call messages" panel open on the right. The main slide displays the text "EFFECT OF NEP ON YOUTH AND SPORTS DEVELOPMENT" and "Sports as part of curriculum" above an image of a balance scale. The "In-call messages" panel includes a toggle for "Let everyone send messages" (which is turned on), a note that messages are only visible during the call, and two messages from "You" at 5:43 PM and 5:44 PM regarding a feedback link and E-certificates. The bottom toolbar shows the time as 5:44 PM and the title "New Education Policy (NEP) 2020: Effect of ...".
