Ref: PSNA/RDC/Dean (R&D)/ Research Incentive 2023

Date: 05 Jan 2024

The management of PSNACET encourages faculty, scholars and students for their **Research, Innovation and Development** activities and recognizes their contributions by providing

- **Incentive for Research Achievements** such as Publications, Citations, PhD guidance, Grants, Consultancy, etc.
- **Financial Assistance for Research Activities** towards PhD obtained, Patenting, Seed money for research, Registration and TA/DA for participating research programs, etc.

The cash incentives for 2022 were already paid to the faculty, scholars and staff and the support for other research activities has also been granted.

Management is pleased to extend the research incentive for the year 2023. In this connection, faculty members are informed to submit their **Research Achievements during the year 2023** for the consideration to research incentives.

The application for research incentive should be submitted in the prescribed format "**Research Achievements – 2023**" (Enclosed herewith) with the recommendation of HoD to the Dean (R&D) before **29 Jan 2024**.

Besides, faculty members can avail **financial assistance** to the following research activities on submitting requisition and approval:

- Special pay for PhD obtained
- Contingency grant for faculty pursuing Ph.D.
- Fees towards Patenting
- Seed money and TA/DA for meeting experts in connection with proposal submissions
- Registration and TA/DA for participating conference and research programs.
